

CSU @ STURM COLLABORATION CAMPUS

WELCOME TO YOUR NEW PATHWAY FOR SUCCESS

The Sturm Collaboration Campus is a partnership between Arapahoe Community College (ACC), Douglas County School District, and Colorado State University that creates a CSU degree pathway for high school and community college students. Utilizing resources from all three CSU System universities: CSU-Fort Collins, CSU-Pueblo, and CSU-Global – the campus builds educational solutions for the modern learner, meets students where they are geographically, and connects resources directly to the local community.

CSU - FORT COLLINS

BUSINESS ADMINISTRATION / ACCOUNTING

- Designed for individuals with an Associate of Arts degree in business from a Colorado community college
- Study at the Sturm Collaboration Campus via a blend of in-person and online courses
- Graduate with a bachelor's degree from CSU's College of Business

CSU - PUEBLO

COMPUTER INFORMATION SYSTEMS CYBERSECURITY OR SOFTWARE DEVELOPMENT

- Designed for students with an Associate of Applied Science degree in Cybersecurity or Secure Software Development from ACC
- Study at the Sturm Collaboration Campus via a blend of in-person and online courses
- Graduate with a B.S. in Computer Information Systems from CSU-Pueblo's Hasan School of Business

CSU - GLOBAL

LIFELONG LEARNING AND COMMUNITY PARTNERSHIPS

- Douglas County School District Partnership: 10% tuition discount for staff and faculty, including required graduate coursework to teach high school English or Math Concurrent Enrollment courses
- Partnership with ACC: transfer up to 64 credits; tuition discounts for recent graduates as well as faculty and staff
- Partnerships in the Castle Rock area: Town of Castle Rock, Comcast, Tri County Health Department

The Sturm Collaboration Campus is also open to the public as a CSU Regional Engagement Center with programs including professional development, sports camps, and community events.
